Package Information	
Inner package	375*165*112mm
Outer package	525*395*360mm
Quantity per carton	9
Product Feature	
1) Automatic on/off: Soap dispenser automatically supplies foam soap as one puts hands in sensor range. Soap dispenser automatically stop supplying soap after 1.5s.	
2) Adjustable sensor range and supply time by a remote controller (optional).	
3) Low power indication: Soap dispenser sensor flash to indicate that it is time to replace existing batteries with new ones if there is not enough power going to the unit. No soap dispensed at this time if hands in the sensor range.	
4) Four AA alkaline batteries shall last approximately 3000 times/month for 6 months.	
5) It is suggested cleaning the soap hoses with clean tap water if you will not use the soap dispenser for more than 1 week. How to clean: please pour clean tap water into the soap bottle and sense the soap dispenser until the tap water dispensed.
